RESPONSE TO DETAILED ACTION

Drawings

1. The drawings herein attached include a touch screen, or monitor display. No new matter has been entered. On the advice of the patent examiner to this application both the drawing as well as the claim sections of my initial submission have been redrafted. ✓ Changes of the Drawings section has been attached which illustrate and clarify the application according to the redrafting of the claim section. The drawings herein attached hereto as Exhibit "A" contain no new matter nor new art.

2. The references have been corrected.
3. To my knowledge the drawings show every feature specified in the claims.
4. The reference has been corrected.

Specification

5. The spacing has been corrected.

Claim Objections

6. The line spacing has been corrected.
7. The disclosures in the application has been redrafted.
8. The claims have been redrafted to be in closer accordance with being less in narrative form, less indefinite and less functional and less operational in language.
